Be-Line Grab Rails

Be-Line grab bar Ø 35mm, for people with reduced mobility. Aluminium tube, 3mm thick. Solid aluminium fixing points. For use as a handrail or grab bar for WCs, showers or baths. Rounded profile Ø 35mm with ergonomic flat front face that prevents rotation for an optimal grip.

Metallised anthracite powder-coated finish provides a good visual contrast with the wall.

Uniform surface for easy maintenance and hygiene.

38mm gap between the bar and the wall: minimal space prevents the forearm passing between the bar and the wall, reducing the risk of fracture in case of loss of balance.

Concealed fixings.

Supplied with stainless steel screws Ø 8 x 70mm for concrete walls.

Tested to over 200kg. Maximum recommended user weight: 135kg.

CE marked.

Available in White or Anthracite finish

Available in 300mm, 400mm, 500mm & 600mm
